I wish to participate in the Irish Festival Arts & Crafts Show at the Clare Primary School. All tables, chairs and supplies are the responsibility of each participant. I have read and understand the 2012 show regulations as listed on the back of this form. My crafts are as pictured and described above and are hand-made originals that are not produced or purchased from a wholesale company or kits. I have accompanied this application with work in progress photos of all items I will be selling.

*At times we are asked to share our list of crafters with other show coordinators. If you would like to be excluded from this list please check here

All craft shows are juried. We will have an independent JURY that will be determining the eligibility of all craft booths. The jury is requesting a "work in progress" photo for all crafters, even if you have been in our shows previously. Our jury defines "work in progress" as a photo of you making your craft items.

Should your items not be as pictured in your photo and if mass produced items or manufactured items are found, you will be asked to remove the items or leave. Please do not put any of us in this awkward position.
